ORDER FURNACE FOR LINCOLN BLDG.; RATIFY JULY 13 ACTIONS

The Gettysburg Joint School Board at its August meeting Monday evening at the high school building bought a new heating plant for the Lincoln School building, spent considerable time "ratifying" various actions taken at an "illegal" meeting of the executive committee a month ago and heard a new streamlined procedure described for handling school business that will involve fewer meetings of the entire board.

On a roll call vote that carried 22 to 4, the board awarded the contract for a new coal-fired heating plant at the Lincoln building to A. LeRoy LeVan, Gettysburg, on his low bid of \$2,941.29.

Bids had been asked on three sets of specifications. The base bid was asked on an oil-fired plant convertible to gas. Alternate 1 was for a stoker-fired coal burner and the second alternate was for a hand-fired coal furnace.

Costs More Now

LeVan's bid on the oil-burning plant was \$7,581 and he did not bid on the stoker. Mueller Engineering Corporation of York bid only on the stoker at \$6,652 while Warder and Shewell, York, offered bids on each specification: \$7,200 for the oil burner; \$7,000 for the stoker and \$6,100 for the hand-fired furnace.

At least some of the four directors voting against the awarding of the contract were known to favor the oil burner. The board learned that in the last month there has been an 8 to 12 per cent increase in boiler prices. The Property committee had a bid on the new plant a month ago but it was ruled then that the contract could be let only after competitive bids had been advertised for.

Attorney Richard A. Brown told the directors that all school business within budget limitations can be conducted by a Joint School Committee and the board voted to change the name of its Executive Committee to Joint School Committee. Each board has two members on the Joint School Committee.

July 13 Session "Illegal"

At a brief meeting of the Executive committee before the general board meeting, Mr. Brown ruled a July 13 meeting of the Executive Committee illegal because previous notice had not been given it would be held.

The "special" meeting of the Executive committee came July 13 during the meeting of the joint board. Dr. R. D. Wickerham, board president, interrupted the general meeting to call the executive group into session in an adjoining room.

When the minutes were read Monday evening of that Executive meeting, Dr. Wickerham announced the meeting had been illegal and asked for a motion to approve the minutes with the record of the special meeting to be stricken out. Such a motion was passed.

Review July 13 Motions

Later Monday evening Dr. Wickerham brought up one at a time the matters that had been passed upon at the special executive meeting for the entire board to pass upon. Such a procedure had been decided upon at the pre-board meeting Monday evening.

There was a motion by the general board to ratify salary increases for non-professional employees approved at the July 13 meeting of the executive board and already provided for in the budget for the new year. The only question was raised on the \$200 increase for Kenneth G. Reinhart Jr., board secretary and school business manager who was employed last December 1, with some directors saying they understood his increase was not to come until he had served a year. There was a roll call vote confirming 23 to 7 the action of the executive group.

The next item carried over from July 13 was executive committee action to buy a new steam table for the high school cafeteria with the business manager to get specifications and bids and the money to come from the cafeteria fund. Dr. Wickerham explained the replacement of equipment is the only legal (Continued on Page 7)

Report Russians Jail Farmers

BERLIN (AP)—East Germany's Communist government was reported jailing farmers today for "sabotaging" the Soviet zone harvest.

The U. S. State Department's newspaper Neue Zeitung reported the arrests of East zone farmers. The paper said the Red regime, enraged by delays in bringing the storm-plagued grain crop to market, began sending police out into the fields last weekend.

The report said farmers and farm laborers have since been taken into custody on charges of "criminal slowness" in reaping, threshing, harvesting and transporting the grain. The largest number of arrests were reported in Mecklenburg, where the harvest lagged behind the other four Russian-occupied provinces.

In the two-week-old campaign, the West up to last night had given 2,111,611 parcels to East zone citizens. The present distribution system will end next Saturday but a new plan is to begin Aug. 27.

FIRE POLICE TO ASK COUNTY FOR UNIFORM CAPS

Plans to secure white caps for all of the 150 fire police in the county and plans for using luminous paint or strips on raincoats were discussed Monday evening at a meeting of the Adams County Fire Police Association at Littlestown.

President Charles W. Culp Jr., said the fire police would petition the county commissioners to determine whether the county could assist in the purchase of the uniform caps under Civil Defense, as the fire police not only serve their individual fire companies, but are also an integral part of the county's Civil Defense organization.

Littlestown has already purchased white caps for its fire police according to a report at the meeting and experience with the caps show that they make the fire police more easily recognizable by firemen and motorists and make it easier for fire police to be seen when directing traffic at night.

Praise For Fairfield Duties

The luminous strips or luminous paints plan for the raincoats was also presented as a safety measure. In black caps and black raincoats, against a background of a black-topped road, the fire police are almost invisible to motorists, it was pointed out, particularly on rainy nights.

President Culp reported: "I have received numerous fine reports on the excellent manner in which the fire police handled the situation at Fairfield in connection with the Fairfield Shoe fire. Traffic was routed around and later through the town with a minimum of inconvenience to the general public and the fire departments. And the fire police stayed on duty throughout the night to help keep everything under control. I have heard nothing but praise, and that from a larger number of people, for the work of the fire police at that fire."

Members of the York and Lancaster Fire Police Association were present to outline the work of the State Fire Police Association and urged the Adams County group to join as a unit or as individuals. No action was taken immediately on joining the state group, with the fire police planning to make their decision at the next session.

The next meeting of the fire police will be held Monday, September 14, at Abbottstown.

Torture Stories Continue To Pour From Released Yankees; Hanged By Arms; Get Ice Baths

By JIM BECKER AND GEORGE MCARTHUR

FREEDOM VILLAGE, Korea, (AP)—Liberated American soldiers told today shocking stories of "squealing" by fellow prisoners, some of whom chose to stay behind rather than return to the United States. Others described tortures suffered because they defied their Communist captors—tortures that included hanging by the arms, beatings, imprisonment in crude dungeons, starvation rations and "ice baths."

Their stories—told to newsmen at this processing center for returned Americans—added to the mounting evidence of the horrors and intrigue that flamed in North Korean prison camps.

Jailed By Informers

Cpl. Robert A. Ginn of Columbia, S. C., told of the actions of two informers which resulted in a fellow prisoner being sentenced just two weeks ago to a year in jail. Ginn said the Chinese announced over the prison loudspeaker that the captive would not return in the exchange and warned other men would get the same treatment "if

CHURCH SCHOOL TO BE HELD FROM OCT. 19 - NOV. 23

At a meeting of the Board of Directors of the Adams County Leadership Training School and representatives from local Sunday Schools, held Sunday evening in the Gettysburg Church of the Brethren, the plans and program for the school to be held October 19 and November 23, in St. James Lutheran Church, were announced.

Rev. William Hollingsworth and Rev. Arbe Dorsey led the devotions. Rev. Robert Knechel presided and introduced Mrs. Vernon Clapper who will serve as the registrar for the school. Luther M. Lady and Roy R. Starner were introduced as the deans for the school.

Courses And Teachers
Mr. Lady announced the following courses together and instructors:

Psychology and Methods for Church Leadership, Rev. Robert Knechel.

Teaching Children, Mrs. Meredith Germer.

Sunday School Lessons for the 4th quarter of 1953, Dr. Ralph R. Helm.

Understanding Youth, Rev. Clyde R. Brown.

Your Home Can Be Christian, Atty. Daniel E. Teeter, Coordinator.

A Better Church School, Dr. Robert Powell.

Mr. Starner said that the classes will be held each Monday evening at 7:30 o'clock. The registration will be held on Monday, October 23 at 7 o'clock. The registration fee will be \$1 per pupil. It is the hope of officials that each church school in the county will be represented in the school.

Annual Outing Is Held By Rotarians

Approximately 100 members of the Gettysburg Rotary Club and their families attended the annual outing held by the club Monday afternoon and evening at the Gettysburg Country Club.

During the afternoon, golfing and swimming were scheduled. At 6:30 o'clock a buffet dinner was served. Mrs. John Teeter was in charge of arrangements for the meal. Roy Hammond was general chairman for the program. Next Monday the group will hold a Ladies Night program at the Marsh Creek Heights cottages of Dr. Bruce N. Wolff and Joseph E. Codori.

Change Parade Hour For Reese Firemen

Gettysburg's firemen will leave for the parade at Reese, Md., Wednesday evening at 6:15 o'clock, Fire Chief Donald Jacobs announced today.

The group had originally planned to leave the fire house here at 6 o'clock, but word has been received from the Reese fire department advising that the parade time has been postponed by a half hour.

150 AT CAMPFIRE

Approximately 150 attended the campfire program held by the Gettysburg National Park Service Sunday evening at the Cyclopedia. John Schwartz, York St., former ranger in the Glacier National Park, now stationed here, presented colored slides on Glacier and other northwestern parks. Next Sunday evening the campfire program will consist of a film in sound and color on "Eighteenth Century Life in Williamsburg, Va."

KENNAN SEES REVOLUTION IN SOVIET RUSSIA

WASHINGTON (AP)—George F. Kennan, East Berlin R. D., former U. S. ambassador to Moscow, predicted today that revolution will break out eventually "in the Soviet orbit" and he pictured Russia's danger to the outside world as probably on the wane.

Kennan, one of the nation's foremost authorities on Russia, sounded a word of caution, however, against official American interference in Soviet internal troubles.

Such interference, he said, might boomerang by stimulating Communist unity.

Addressing a seminar on Soviet imperialism, sponsored by Baltimore's Johns Hopkins University, Kennan declared:

Strains And Crisis

"Plainly, the edifice of Soviet power is faced today with severe strains and crisis.

"This can be observed in its internal structure which has come to depend on the institution of a supreme and glorified leader but contains no formal provision for the method of selection.

"It can also be observed in the satellite empire where the nature of Soviet power has been thoroughly exposed, where its devices have worn thin, where it is harvesting the crop of hatred and rejection it sowed with such reckless arrogance some years ago in defiance of the pleas and warnings of the Western world."

Reds Lose Attraction

Kennan said Soviet ideas no longer have a powerful attraction in the Western world, and in Asia there has been "a certain turn of the tide of battle" toward the forces of realism and common sense. "If our own beliefs are sound," Kennan went on, "Soviet power will continue to suffer, as it is suffering today, from the effects of its own unsoundness—its incompatibility with the deepest human needs—and it will eventually receive the retribution it so justly deserves."

As for the role of the Western Allies, Kennan said the United States and the United Nations could only "stand aside" and maintain "a readiness to be helpful to the extent that we can, when and if the opportunity develops."

Meal Is Prepared By Club Members

Patsy Stoner, Margaret Sterner and Nancy Kelly prepared a luncheon at a recent meeting of the Round-Top 4-H Club at the home of Judy Weikert. The girls were assisted by Miss Mary Jane Mickey, Adams County Home Economics Extension representative. The meal was served by Wilda Simpson, Mildred Treher, Sue Newman and Doris Stoner.

There were 10 members present with Miss Shirley Sterner, president, presiding. Margaret Sterner, secretary-treasurer, read the minutes and called the roll. Each member responded by naming something which she had learned in the club this year.

A "show and tell" was presented by Nancy Kelly and Mildred Treher. Nancy Kelly led the club in repeating the pledge. Shirley Sterner, Judy Weikert and Phyllis Hankey made plans to hold a Mother-Daughter banquet August 31. Patsy Stoner and Phyllis Hankey led the group in fun and entertainment.

The group will meet again August 21 at the home of Nancy Kelly at 9 a.m.

GOING TO CONVENTION

Gettysburg Aerie No. 1562, Fraternal Order of Eagles, will be represented at the 55th annual Eagles' convention at Indianapolis from August 13 to 16 by Past President Roy Millhimes.

Secretary Benson Tours Battlefield

U. S. Secretary of Agriculture Ezra Taft Benson made his first visit to the Gettysburg Battlefield on Monday and was taken over the field by Dr. J. Walter Coleman, national park superintendent.

Mr. Benson, his wife and their four daughters, spent about an hour and a half in the park and then went on to Washington, D. C. They had been to New York state.

Dr. Coleman said Mr. Benson took special interest in the farming operations on the battlefield and in the farm lease system in use here.

Thief Repents; Returns Cash

A conscience-stricken thief returned his loot less than an hour after he burglarized Spriggs Garage, on the Emmitsburg Rd. Monday afternoon.

Charles W. Spriggs, owner of the garage, had gone to his house next door for a few moments, and coming back to the garage saw two men in an Ohio licensed car pulling away from the place.

Spriggs, noting that the men seemed to have a "guilty" look about them, jotted down the license number and then went into his garage. He discovered \$5.32 had been removed from a cash box in the structure.

"Broke And Sorry"

Spriggs called state police who in turn notified local police at Gettysburg and elsewhere and began a search for the Ohio auto.

After a time the same Ohio car drove past the Spriggs garage, this time with only one man in the vehicle.

Mr. Spriggs again called police to notify them that the Ohio car was still in the vicinity. He then walked out to the front of the garage and sat in a chair there. A few moments later the Ohio car pulled into the garage, and a man got out. He came over, sat down, gave Mr. Spriggs his money back, told him that he was "broke" and had stolen the money, but that he was sorry he did it and wanted to return the amount.

Spriggs called off police search and the Ohio driver continued on with his conscience cleared.

Weather Forecast

Extended forecast for Wednesday, Aug. 12, through Sunday, Aug. 16:

Eastern Pennsylvania, Eastern New York and mid-Atlantic states: Temperatures will average two to three degrees above normal, warm Wednesday and Thursday, cooler Saturday and in north Friday. Showers about Friday, totaling around one third of an inch.

Western Pennsylvania, Ohio, West Virginia and Western New York: Temperatures will average three to five degrees above normal, warm Wednesday and Thursday, cooler Friday followed by warmer Sunday, showers about Thursday and Sunday, totaling one third to one half inch.

Countian Is Struck By Car In Carlisle

Dale Orner, 41, Bendersville, was injured when he was struck by an automobile as he walked across a street in Carlisle.

The car was operated by Donald L. Shearer, Carlisle, who took Orner to the Carlisle Hospital, Carlisle police reported. Orner was treated for multiple contusions and abrasions of the body and was discharged.

GET CALL ON FIRE

According to the borough police report sheet, the local policemen were called to render assistance at 11 o'clock in connection with a fire at 215 Chambersburg St., but the fire was extinguished when they arrived.

LITTLE LEAGUE WILL HAVE NEW DIAMOND IN '54

That the Little League baseball circuit will have a new baseball diamond of its own at Recreation Park next summer was indicated Monday evening at a meeting of the Recreation Board in the borough council chambers in the Fire Engine House.

Other business included the voting of \$3,000 to the diamond board to make up the amount the Recreation Association owes the school district toward payment of recreation directors; a decision to go ahead with construction of one or several fire-places at the recreation field this fall—for use by picnic parties next summer, and the giving of a broad hint, that if the firemen plan to make the temporary building at the recreation field, constructed for the firemen's carnival, into a more permanent structure, the Recreation Board will be well pleased.

Director Ira Kerr reported the summer program at the recreation field will close Saturday.

To Select Site

Little League Chairman Charles Smith told the board that "Our experience with the Little League this year shows that it is a little crowded to play both games each time on the same field. It gets awfully hot and we find ourselves sometimes with no customers and some slightly ill boys. We've looked around and we feel that, if the Recreation Board can spare the space and it is possible, a new baseball diamond could be put in north of the softball field. The area is sometimes used for parking now. But it could be fenced off, and is level and would make a good diamond without too much grading."

Members of the board expressed themselves as favoring the idea. Recreation Board President E. Donald Scott told Smith: "The Recreation Board wants to go along 100 per cent with the Little League on this."

Arrangements were made for the advisory board of the Little League to meet with the property committee of the Recreation Board, headed by Mahlon P. Hartzell, to go over the recreation field and determine the site of the proposed field. Hartzell said he thought possibly the borough might provide a grader for use, during the fall or winter, or other help might be provided to grade the proposed field. Smith said the Little League has about \$400 and could assist in erection of bleachers for the field.

High praise was given the advisory board of the Recreation Committee by Recreation Director (Please Turn to Page 7)

STORK'S PACE SLOWING HERE

The stork is falling behind the record pace that busy bird set in this community last year, the monthly report of Register of Vital Statistics Ralph Geiselman showed today. In the first seven months this year only 531 babies were born as compared with 546 in the comparable period last year.

In the same period there were 139 deaths this year as against 122 in 1952.

Mr. Geiselman's records show there were 75 July births as compared with 85 in that month a year ago. There were 40 male and 34 female births in Gettysburg in July and one female in Freedom Twp. Cumberland Straban and Highland Twp. reported no births.

The report on deaths for July shows 17 in Gettysburg in addition to three stillbirths. Cumberland Twp. had two deaths and Freedom and Highland Twp., one each. The total of 21 deaths compares with 17 in the same month of 1952.

SUPERVISORS OF 2 COUNTIES TO MEET AUG. 17

A special joint meeting of the Supervisors, Auditors, Tax Collectors and Assessors Association of Adams and York Counties will be held next Monday evening at 7 o'clock at the Adams County Fairgrounds between Abbottstown and East Berlin.

The chief speaker will be H. A. "Cappy" Thomson, secretary to the state association of road supervisors, and townships engineers also will attend. Mr. Thomson and the other speakers plan to arrive at the fairgrounds during the afternoon and will be available there to boards who wish to discuss local problems with them.

Notice of the meeting states that it is specially planned for those supervisors who wish to come under social security and states that October 1 is the deadline for getting credit for back work.

At 7 p.m. the formal meeting will be called to order by President Glenn Jacobs of Reading Twp. George W. Baker of Abbottstown will give the address of welcome and President C. J. Myers, Jackson Twp., of the York County Association will respond.

There will be an address by Mr. Thomson and David A. Jamison, chief of the state social security board, will speak. There will be remarks from state engineers in attendance and J. Richard Hamm, past president of the rural letter carriers' association, will bring greetings from the county branch of that organization. Motion pictures will be shown by Mr. Thomson to conclude the program.

Hold Prospector In Three Deaths

MONTREAL (AP)—Provincial police said today that Wilbert Coffin, 37-year-old prospector, is being held for questioning as a material witness in connection with the deaths of three Pennsylvania bear hunters in the Gaspe wilderness.

Police here said Coffin, important witness at an inquest into the gruesome deaths of Eugene Lindsay, 45, his son Richard, 17, and Fred Claar, 20, is being held in Quebec City as a result of evidence uncovered in Montreal last week. Police declined to say what the evidence was.

Reports circulated during the weekend that police had located a revolver and some of the personal belongings of the hunters during a search of a Montreal home. Police declined to confirm or deny the reports.

U.S. Prisoners Vow Vengeance On Weaker Buddies Who Turned To Communism Under Pressure

By FORREST EDWARDS

PANMUNJOM (AP)—A bitter band of die-hard Americans came back from their Red prison camps today—vowing vengeance on weaker comrades who turned to communism under pressure.

They spat out "progressive" as a dirty word, and were with honor the badge of "reactionary" fastened on them by Red Chinese who clubbed and tortured them but did not break their spirits.

One tough American had to be held back by force when he spotted a "progressive" at the Freedom Village reception center. "I'll get that s.o.b. when I get home," he said.

One hundred Americans came back from the North, along with 24 British, 25 Turks and 250 South Koreans in the seventh day of the Korean War prisoner exchange.

WILL ADVERTISE FOR BIDS ON HS ADDITION; GIVE PLANS FINAL OK

The 15 classroom-auditorium addition to the Gettysburg High School building that has been on paper for nearly two years moved one big step nearer the construction stage Monday evening when the Gettysburg Joint School Board gave approval to final plans and specifications and passed a motion asking the Gettysburg School Authority to advertise for bids.

Bids will be opened at the next regular meeting of the joint school board, Monday, September 14.

A review of the plans for the new structure—and for the extensive changes involved in the present building—was given the board by James E. Gilder, a registered architect for John B. Hamme, York.

1,500 Seat Auditorium

The addition will be three stories high and will connect with the north end of the present structure with a ground level passageway to the athletic field provided for.

The 1,500 seat auditorium in the new building will take the place of the present 600-seat room in the present building. The old auditorium will be converted into a library with conference rooms, rest rooms, storage and other utility rooms to go on the present stage and balcony and under the balcony. The old auditorium floor will be sound-proofed over the old gym below. The present library will be converted into classrooms.

A room will be added to the home economics department, Mr. Gilder said, and the present "home ec" rooms will be improved. He indicated electrical, plumbing and heating (Continued on Page 7)

SUIT FILED IN FATAL ACCIDENT

The widow and children of Harry M. Bacon, Savannah, Ga., truck driver who was fatally injured last November 6 in an accident at the York Springs intersection have brought suit in Adams County Court against the driver and owner of the other truck involved.

Bacon, 29-year-old Georgia driver, who according to the petition in the action in trespass brought by his heirs and executor, was earning about \$10,000 per year as a truck operator, was killed instantly while driving north on the Gettysburg-Harrisburg Rd. when his truck collided with a truck being driven west on the Hanover-Carlisle Rd. by Wesley A. Holington, Highland Park, Mich.

Listed as bringing the action against Holington, and the truck owners, Interstate Motor Freight, of Grand Rapids, Mich., are Ruby Constance Bacon, the dead driver's widow; Barbara Carl Bacon, his three-year-old daughter; Harry Marcus Bacon, his 1 1/2-year-old son, all of whom reside at Savannah R. 5, and Layton P. Bacon, Savannah, administrator of the estate of Harry M. Bacon.

According to the papers filed for the Bacons by Attorney Richard A. Brown, of the law firm of Swope, Brown and Swope, the widow and children are seeking damages for loss of companionship and support, and the administrator of the estate is seeking \$4,374.15 for damages to the truck tractor, \$2,500 for damages to the trailer, and \$800 for burial expenses, a total of \$7,674.15.

MICKEY VERNON LEADS BATTERS IN A. L. AGAIN

NEW YORK (AP)—When the ball-ots are counted for baseball's comeback-of-the-year award this fall, Mickey Vernon of the Washington Senators is certain to be well up in the voting.

Vernon batted only .251 in 1952 and, at 35, it was believed he had seen his best years, one of them (1946) when he led the American League in batting with .353.

But the veteran first sacker has been one of the real surprises this season. He currently holds a 15-point edge in the junior circuit hitting race with a .335 mark. Runner-up Al Rosen of the Cleveland Indians has .320.

Monte Irvin in National

Last year, Vernon finished with 143 hits, 33 doubles, 10 homers and 80 runs batted in. So far in 1953, he has compiled 146 hits, 34 doubles, 10 home runs and 77 RBIs.

In the National League, Monte Irvin of the New York Giants leads with a .339 average. The 34-year-old outfielder, who sprained an ankle last Sunday, picked up four points last week while Red Schoendienst, his closest competitor, dropped 12 points to .333.

Minnie Minoso of the Chicago White Sox and George Kell of the Boston Red Sox both went into a tailspin last week and are tied for third with .316 apiece. Minoso dropped nine points and Kell six.

Zernial Leads On Homers

Brooklyn's Carl Furillo moved into third place in the National with a .329 slate. He gained two points on nine hits in 25 at bats.

Gus Zernial of the Philadelphia Athletics blasted out four home runs to wrest the American League homer lead from Cleveland's Al Rosen. He has 29 to Al's 27. Rosen continues to set the pace in RBIs with 92.

Milwaukee's Eddie Mathews tops the National League in home runs with 36 and Roy Campanella of Brooklyn has driven in the most runs, 104.

U.S. Prisoners

(Continued from Page 1)

are scheduled to return Wednesday.

The latest group of Americans released won the "reactionary" honors the hard way.

There were bitter men among the first groups last week, but few matched the anger of the last groups.

American officers and newsmen were startled at the violence of the reactions and immediate steps were taken to keep some of the groups separate to prevent possible bloody clashes.

Many Defied Reds

After months and years behind the Red curtain, many still had courage to defy the Communists.

But bitter as the men were against the Chinese Communists, they hated the "progressives" more.

"There were stool pigeons in my own squad," said Cpl. Robert A. Ginn of Columbia, S. C., with hate in his voice.

With Ginn were two Americans with the same last name but not related—Sgt. Harold M. Keck of Bethlehem, Pa., and Cpl. Clyde A. Keck of Sparta, Mich.

It was one of these three who broke toward the "progressive" and who was restrained by an Army officer. The officer would not say which he grabbed, however.

Ginn and the two Kecks estimated that about 10 per cent of the Americans they saw had "gone progressive."

Estimates of their numbers have varied considerably and some reporters said it was hard to tell whether a fellow prisoner really swallowed the Red line or just played along for better treatment.

Wedding

Chaney-Stenger

Mary Frances Stenger, Hagerstown, daughter of Mr. and Mrs. Eston C. White, Fairfield, became the bride of Harold David Chaney, Hagerstown, son of Mr. and Mrs. H. K. Chaney, Flintstone, last Saturday afternoon at 1 o'clock in St. Mark's Lutheran Church, Hagerstown. The double ring ceremony was performed by the Rev. Edward P. Heinze.

The attendants were Mrs. Walter Reynolds, Lancaster, sister of the bride. Leon Chaney was the best man and the ushers were John Chaney and William McLuebie.

A reception was held at the Rose Bowl Party House, Hagerstown, after which the couple left on a Florida honeymoon. Mrs. Chaney, a graduate of the Fairchild High School, is employed in the clerical department of the Fairchild Aircraft Division. Mr. Chaney is a graduate of Fort Hill High School, Cumberland, the Babson Institute, Boston, Mass., and Duke University. He also holds a clerical position at the Fairchild plant.

NEW SHOPPING CENTER

A new shopping center with parking space for 500 autos is scheduled four miles east of Chambersburg along the Lincoln Highway. Frank B. Hartzok, Chambersburg real estate broker, announced that the shopping center will front for 1,500 feet along the south side of the road on a 15-acre plot.

DEATHS

Joseph E. Sanders

Joseph Edwin Sanders, 77, died Saturday at 3:30 p.m. at the Waynesboro Hospital. He became critically ill about 7:15 Friday night at his home in Waynesboro.

Mr. Sanders was born in Adams County the son of William and Margaret (Topper) Sanders. His early life was lived in Adams County. Following his marriage he moved to Waynesboro and was employed at Frick Company in the wood department. He had been employed there 50 years last March, and had come from work only a short time before he was stricken.

His wife, Johanna (O'Connor) Sanders, died last September.

He was a member of St. Andrew's Catholic Church and the Holy Name Society.

Surviving are three daughters: Mrs. Harvey Haverstick, Baltimore; Miss Margaret Sanders and Miss Kathryn Sanders at home, and a son, William A. Sanders, Waynesboro, and a foster son, Robert Pearl, at home. A grand daughter and a sister, Mrs. Rose Lizer, Waynesboro, also survive.

The funeral was held this morning at 9 o'clock from St. Andrew's Church. Requiem High Mass was celebrated by Rev. Fr. Cyril Allwein. Interment was made in St. Anthony Cemetery near Mt. St. Mary's.

Mrs. Adelsperger Buried

Funeral services for Mrs. Anna Mary Adelsperger, 73, wife of Hugh Adelsperger, Fairfield R. 1, who died Saturday morning in the Warner Hospital, were held this morning at 10 o'clock at the Allison Funeral Home in Fairfield with the Rev. Nevin Frantz, Arendtsville Reformed pastor, officiating. Interment was made in the Fairfield Union Cemetery. The pallbearers were Clyde McGlaughlin, Lloyd Benner, Roy Metz, Stuart Sites Jr., Russell Doley and Ellis Kepner.

REDS BAYONETED POW Stragglers

FREEDOM VILLAGE, Korea (AP)—An American from Bayonne, N. J., said after release from the Communists today that he saw "with his own eyes" Red soldiers bayonet stragglers in a column of captives marching north.

Pfc. Richard W. Godlewski, 20, was captured Feb. 13, 1951, while with the 2nd Division.

Godlewski was marched to the camp with a group of 500 men. Only 259 arrived.

"On the march up," he said, "they bayoneted a lot. I saw that with my own eyes. A guy would fall out and a guard would drop back and you'd hear the guy scream."

"A couple of times I was at the end of the column and I saw it myself."

"A lot died of starvation," he said. "You never got anything to eat. Maybe a little rice ball or barley."

RIDING CLASS TONIGHT

The second session of the riding school for members of Gettysburg's Junior Riding Club will be held this evening at 6:30 o'clock at Longview, the home of L. S. Long. The first session was held last Tuesday at the Winebrenner farm.

FIFTY YEARS AGO

Encamped Along the Conewago:
On Monday morning Jacob I. Mumper and family and Mrs. Anna Kitzmiller, of this place, and Rev. C. W. Litzell, wife, and children of Johnstown, left on a ten day's camping trip. They are pleasantly located on the banks of the Conewago, near New Chester. They have their meals served at a farm house near by and lodge in their tents.

Off to the Pacific Coast: Mrs. Sallie M. Stewart, Mrs. George W. Reichle and Harry C. Gilbert left on Saturday for San Francisco Calif. Mrs. Stewart received her credentials as a member of the Annual Convention of the National Association of Army Nurses of the Civil War. The sessions of the convention will be held in the Golden Gate Hall. The national secretary of the Association has selected Mrs. Stewart as one of her committee on pensions.

At the Race Track: Quite a number of people gathered at the race track west of town Saturday afternoon and witnessed several very interesting heats between horses owned by John E. Hughes, J. Ed McCammon and J. A. Mickle, "Joe Scott," owned by Mr. Hughes and driven by Clayton Moxley, made the fastest time, covering 1/4 in 1.15. The fine three-year-old running mare, "Furn," owned by James Fuhrman of this place, turned the track in 52 seconds.

Bank Stock Sold: This afternoon J. W. Wetzel, attorney for the heirs of Mary Megan sold 10 shares of stock of the First National Bank of Gettysburg to Samuel M. Bushman for \$212 per share, par value \$100. The sale took place in front of Hotel Gettysburg.

New Bank Doing Business: The East Berlin National Bank opened for business on Monday. The officers introduce a novelty in banking — advertise for applications to serve as clerk, with bids as to salary.

Local Miscellany: The congregation and Sunday School of Trinity Reformed Church will picnic tomorrow at Red Rock on Rock Creek.

The excursion run by the Ice Drivers' Association of Baltimore to this place, last Sunday was a large one, there being 755 in the party.

St. Francis Xavier church picnic at Round Top on Wednesday. The Oylers held a family reunion in the Narrows, just below Cole's saw mill. There were forty-five persons present.

Death of an Interesting Child: Marlon Theresa, the bright and interesting three-year-old daughter of Mr. and Mrs. J. Frank Wisotzkey, of South Washington street, died Wednesday morning from the effects of spasms. She was a charming child, admired by all who knew her and her death is a great shock to the affectionate parents.

The funeral was held Friday evening at 6 o'clock from St. Francis Xavier Church, Rev. Father T. J. Crotty officiating. Interment in the Catholic cemetery. The following young ladies bore the remains to the grave: Misses Fannie Eckenrode, Marie and Dora Stock and Kathleen Power. H. B. Bender was funeral director.

Personal: Miss Nellie and Grace Blocher returned home Saturday after spending a week with Hanover friends.

Wilmer Wasserman, of Philadelphia is spending his vacation with his father on Washington street.

Mrs. John M. Blocher left Saturday on a ten days trip to Pottstown and Pottsville.

Mrs. E. J. Pfeiffer and children are visiting Mrs. J. E. Cremer at Hanover.

Miss Ivy Horner left today for Baltimore, where she will take the boat from Savannah, Ga., from there she will go to Charleston, S. C., to visit her mother.

M. E. Zinn and two sons are off on a trip to Altoona, Pittsburgh and other points.

Norman D. Hoke, of Philadelphia, spent Sunday with his parents. He was accompanied back

LIFETIME EARNINGS

There is more to earn than money, though the money must be had. There's a wage called reputation, good or fair or plainly bad. They will pay with check or money every week what you have earned. But what others think about you not so quickly can be learned.

Call it salary or wages or that phrase, "the take home pay," it's of money you are talking, choose whichever one you may.

But that pay called reputation is, good coin though not the same.

It's what men will say about you at the mention of your name.

You can count your pay in dollars, but there still is more to gain.

There's the good will of your fellows; there's your name without a stain.

There's that asset reputation, which should be your chief concern.

For you'll still be poor without it, though a fortune you should earn.

Today's Talk

By GEORGE MATTHEW ADAMS

THE VOICE OF BOOKS

As I have read from many a book, it seemed as though the book itself became alive, and that the author was before me—perhaps right in the same room. All books have personalities. I have just finished reading an excellent book by Rumer Godden, "Kingsfishers Catch Fire," her most recent one and one of her best. It is the story of a strange Englishwoman who was set upon living in India alone with her two children. There were times, however, when she became very lonely. With so few with whom she could talk, she took to reading and I quote a thought from Sophie, the main character in the book.

"It was only slowly that Sophie realized that she was reading in a new way. It was as if the book had a voice—no, the voice was there all the time, but I didn't listen. Now it is as if I were being spoken to, thought Sophie. Every word impressed her, and what she read in the evening she pondered over the next day."

Too many people read a book, but are not "listening" as they read, and so the book leaves them with little gained—no memories of instances, or events, or characterizations. I like to think of books as having voices. For me, many a one has had a voice—a voice that has lingered for many years, bringing back many a happy memory of hope, encouragement, and comfort. Books are the essence of men and women. Great books are written from the heart.

I have often speculated upon the actual voice of an author. Many a one I have wished I might meet and discover if the voice were like the one I imagined in the book. Fortunately we are that we have many voices of authors recorded, such as James Whitcomb Riley, Vachel Lindsay, and others. What a thing of wealth it would have been to the world had the voice of Lincoln, delivering his Gettysburg speech, been recorded!

Tomorrow Mr. Adams will talk on the subject: "We're All Salesmen!"

Malenkov Makes It Clear He Wants Allies To Erase All Obstacles To Red Expansion

By JAMES MARLOW

WASHINGTON (AP)—Russia's Premier Malenkov got a lot of mileage out of his two-hour speech to the Supreme Soviet.

He pushed any hope for a German settlement further into the dim future and used the German issue to try to drive a wedge between France and its Western allies.

This was in addition, among other things, to promising the Russian people a better living standard and suggesting that Russia may have the hydrogen bomb.

His statement about Germany was a kind of climax to a series of events which got world attention for months.

Wants Red Deeds
Eisenhower in his April 16 speech to the American Society of Newspaper Editors challenged Russia to prove any peaceful intentions it might have by deeds.

As an example, he suggested Russian agreement to a free, united Germany.

British Prime Minister Churchill

J. R. Dickson. On Sunday morning he will preach in the Presbyterian Church.

Mark Eckert and John J. Garvin are enjoying the sea breezes of Atlantic City. Before returning they will visit New York and take a trip up the Hudson.

Miss Estella Sterner, of Idaville, will have charge of the shorthand and typewriting department of the Waynesboro Business College the ensuing term.

Prof. O. G. Klinger is spending some time at the Mont Alto Reservation.

Mrs. Edward Sheely and young daughter Dorothy, of Memphis, Tenn., are visiting Mr. and Mrs. Harry C. Sanders.

Margaret Horner and Samuel S. Knox, of Knoxville, are visiting S. P. Dunkle's Harriaburg.

Mrs. Peter Sheads and family left Saturday morning on an extended visit to friends at Greenmount, Westminster and other interesting points in Maryland.

The following persons took advantage of the reduced rates and left for Atlantic City Thursday: The Misses Goldsborough, Hunters town; Miss Alice C. Powers, John Wisotzkey and son, George, and daughter, Miss Eva, the Misses O'Neal of this place; Miss Annie Carpenter, of Taneytown; and J. Jere Plank and son, of Highland township.

Misses Blanche and George Swope arrived here Thursday evening and will spend some time with their parents at the Swope residence, corner of York and Stratton streets.

Miss Edna Hancock, a grand niece of Major General Hancock, is the guest of the Misses Diehl at their summer home near town.

quickly applauded this speech as "massive and magnificent." Almost a month later, May 11, Churchill made a sensational speech of his own in the House of Commons.

He proposed a conference on the highest level among the big powers, meaning himself, Eisenhower, Malenkov and whoever would be head of the French government at the time.

Eisenhower seemed to think this was rushing things. Before any meeting with the Russians he suggested a meeting of himself, Churchill and the head of the French government. They then could agree on what they would discuss with the Russians.

Three Ministers Meet
This meeting, planned for Bermuda this summer, was postponed indefinitely when Churchill had to rest from fatigue. Then the United States, Britain and France decided their foreign ministers should meet.

So Secretary of State Dulles and the foreign ministers of France and Britain met here in July. At the end of their session they invited Russia's Foreign Minister Molotov to meet with them somewhere later.

In its invitation to the Russians, this country made plain what it wanted to discuss: unification of Germany and free elections in which the united German people could choose a government for the whole country.

Want Controlled Armaments
There could be no real peace until there was controlled world disarmament, this country said, but before that could happen there should be a settlement on Germany.

On Aug. 4 the United States received a Russian note which seemed to say they'd be willing to talk about Germany but suggested the big thing to discuss was "measures to reduce international tensions."

Reducing international tensions might mean so many things that the State Department experts in this kind of talk still had their

microscopes on the Russian note when Malenkov made his speech last Saturday.

Malenkov spelled out what it meant: this country's armament program and military alliances.

Reds Fear NATO
He cited the North Atlantic Alliance by name. He showed he wants the West to abandon the idea of having Germany in the West European Defense Community, an arrangement still to be put into effect under which Germany could have troops in a unified West European army.

And Malenkov made it pretty clear he wants a disarmed Germany, presumably if it is ever united.

A disarmed Germany would be like a race track across which the Russians could dash unopposed to attack the West. But a rearmend Germany, if it allied with the West, would be a major obstacle to any Russian aggression.

At the same time, a rearmend Germany, if it started on new military adventures of its own, could be as much of a threat to the West as to Russia. Malenkov emphasized that, particularly because it's a possibility which has bothered the French.

STATE OFFICER SEES DECLINE OF HOME RULE

HARRISBURG, (AP)—A state official estimated today that the commonwealth is paying approximately 28 per cent of the cost of Pennsylvania's local governments.

Dr. Willard R. Hancock, director of the Bureau of Municipal Affairs, made the estimate in demonstrating the decline of home rule by cities, boroughs, townships and school districts.

"This is most significant as loss of home rule invariably results from participating in such subsidy programs because control always follows the dollar," Dr. Hancock said in an article in the Internal Affairs Department's monthly bulletin.

"When local units permit higher

levels of government to pay the costs for services carried on within their jurisdictions, loss of home rule logically follows," he said.

Increase In Subsidies
Dr. Hancock pointed to a 600 per cent increase in federal subsidies to state and local governments in the past 10 years. He said the total of \$4,241,000,000 during the last fiscal year accounted for 15 per cent of the costs of state and local governments.

The issue of diminishing home rule has been a perennial one before the General Assembly.

For example, the 1953 Legislature, which adjourned last month, passed over bitter opposition a bill

to cut the work week of policemen in third class cities from 56 to 44 hours a week. It also voted to forbid local communities from including machinery in real estate taxation.

Boost State Aid
Home rule advocates have spent much of their recent legislative efforts on increasing the amount of state road aid and securing the right to employ city managers.

The road aid issue threatened to hold up final adjournment of the 1953 session amid demands for more money. It was finally settled an hour before adjournment by boosting the state aid from 15 to 18 million dollars a year.

Porterfield Shuts Out Boston With One-Hitter; Braves Clip Brooks' Lead By Beating Cards

By BEN PHLEGAR
AP Sports Writer

Bob Porterfield's "bad dream" team is growing. He's added another outfielder and may soon have a full lineup.

Porterfield, whose family named him Erwin Coolidge and then re-named him Bob at the age of 6, is a stylish Washington right-hander who is specializing this season in pitching shutouts.

Out of 17 complete games he has blanked the opposition eight times. That's more than any other pitcher has accomplished in either circuit since Bob Lemon's 10 in 1948.

Gets One Hitter

He hurled No. 8 last night, a sparkling one-hitter against the Boston Red Sox which he won 2-0. In the only other action, the Milwaukee Braves whittled half a game off the Brooklyn Dodgers' National League lead by whipping St. Louis 8-2. The Dodgers still lead by 6½ games.

The lone Boston safety was a third-inning single by right fielder Jim Piersall.

On "Bad Dream" Team

That blow put Piersall in Porterfield's "bad dream" lineup, which also includes shortstop Eddie Joost of Philadelphia and second baseman Bobby Avila and left fielder Dale Mitchell of Cleveland. These are the four men who have spoiled no-hitters for the shutout ace who has worn a jinx tag ever since he hit the majors in 1948.

Mitchell ruined a hitless game during Porterfield's freshman year. Avila broke one up in 1951. Joost cracked the spell at Philadelphia exactly three months ago. Piersall put the blight on Porterfield's 29th birthday celebration.

"It was the only ball I threw that didn't go where I wanted it to go," the pitcher said after the game.

The victory was the 14th of the year for Porterfield, more than he's ever won before in the big time. He's lost nine.

15th For Spain

Piersall got his hit to start the third inning. He walked in the ninth. He was the only Boston baserunner.

Two other pitchers with one-hitters to their credit this season—Warren Spahn and Harvey Haddix—were involved in the St. Louis-Milwaukee contest. Spahn was in form but Haddix wasn't. He gave up 10 hits before bowing out in the fifth inning.

Milwaukee scored once in the first inning, then added five in the second on five hits and two costly errors. The Cards made three miscues in all and every one of them led directly to a run.

The victory was No. 15 for Spain who's lost five.

PICK 16 YOUTHS FOR EAST-WEST ALL STAR GAME

PHILADELPHIA, (U)—Fifteen youngsters and one alternate have been chosen to represent Eastern Pennsylvania in the American Legion Junior East-West All-Star game at Ephrata Aug. 28.

They were picked by major league scouts from among 87 teenagers who participated in a Legion Junior doubleheader at Connie Mack Stadium yesterday.

Heading the list is 17-year-old Ron Henry, a catcher from the Chester Legion Post, who was chosen most valuable player after yesterday's action.

Henry sparked his team, the "Phillies," to a 15-hit, 7 to 2 victory over the "A's" in yesterday's first game with a 350-foot, bases-empty home run against the upper tier facade in left field.

Also chosen for the team were second baseman Jim Rader of Auch Chunk, who got two-for-two for the "Phillies" in the opener; shortstop John Feddock of Nesquehoning, two-for-two for the losers; and first baseman Ron Greenlee who went two-for-three in a losing cause in the first game.

The "A's" came back in the second game with different personnel to score a 4-0 victory over the "Phillies," who also presented a new lineup.

Righthander Harleigh Fatzinger fanned five of the eight "A's" batters he faced in two frames to win the alternate spot on the Eastern all-star team. An error and two wild pitches aided the winners to score four runs in the fourth inning off his successor for the victory.

Others chosen for the Eastern Pennsylvania squad were: Darwin Scratchard, Lewistown, p; Bill Carpenter, Athens, p; Dick Fitzgerald, Narberth, p; Bob Warner, Philadelphia, c; Tom Morgan,

T - H CHANGES IKE PROPOSED LOOKED GOOD TO U. S. LABOR

CHICAGO (AP)—The labor law changes which the Eisenhower administration tested out on Congress but never got around to recommending formally look pretty good to the AFL.

George Meany, president of the 10 million member senior labor federation, told newsmen yesterday that the reported Eisenhower plan for changing the Taft-Hartley Act seemed to promise "a definite improvement."

A proposed message to Congress was circulated among key congressional leaders just before Congress adjourned, but Eisenhower never sent it formally as his views to Capitol Hill.

Favorable To Labor

The message was considered most favorable to labor. It stirred protests among business organizations, which generally have been campaigning to leave the present labor relations act alone or to stiffen its provisions.

"If the reports about the draft of the message are true," Meany told newsmen, "I feel that enactment would be a definite improvement in the law. Of course, they don't meet all the AFL demands for changing the law."

Meany and other top AFL leaders are here for an AFL Executive Council session, a quarterly meeting largely devoted to lining up recommendations for the AFL convention in St. Louis, starting Sept. 21.

Some of the AFL men said privately they believe the Eisenhower administration let the details of the proposed labor legislation sift out on purpose, and then just as purposefully arranged to have the message not delivered formally to Congress.

Meany, when asked about this, said he didn't know, but he said he felt sure that reports that Vice President Nixon was the one responsible for blocking formal sending of the message to Congress were untrue. He added that he didn't know who did block it. Friends of Sen. Taft (R-Ohio), principal author of the present law, were most agitated by the draft message, which was later described by the White House as just a "preliminary draft." Taft died on the very day that the message reached the selected congressional leaders.

The AFL council issued a critical statement yesterday about the record of Congress at the last session, winding up by urging voters to prod Congress members to do better next year.

Noon Hour Rush Cost Him \$10 Fine

DETROIT (AP)—Edward McGlinchey, 56, was fined \$10 for running headlong into the side of a car. McGlinchey admitted the accident was his fault but blamed "the lunch hour race" for his trouble. "The minute the noon buzzer sounds more than 100 guys in my department race across the street to the restaurant," he explained. "Seeing I'm the oldest guy in the department I can never get a seat. This time I was leading the pack when I ran into the car. I missed lunch altogether."

CASH AND PARAKEETS

UPPER DARBY, Pa. (AP)—A burglar broke into a pet shop in this Philadelphia suburb over the weekend and made off with an estimated \$144 worth of loot—\$24 from the cash register and 19 parakeets.

COSTLY JAUNT FOR DRUM CORPS

PHILADELPHIA (AP)—The Raymond T. Osmond post, Veterans of Foreign Wars, totaled up the cost today of sending two busloads of teen-agers to the VFW encampment at Milwaukee last week.

Both post-owned buses, carrying the drum and bugle corps, broke down on the way. They arrived a day late. One of the buses broke down again on the return trip.

Post Commander Robert Arthin said costs (besides living expenses, gas, oil, etc.) included a new motor (\$700); two complete clutches (\$425), two towing jobs (\$128), a new battery and light relays (unestimated).

Moreover, the drum and bugle corps, twice national champions, finished first this year, but were penalized two points for arriving late and placed sixth. However, the

Letter to the Editor

Dear Sir:

Will you permit me, through the news column of The Times, to express my warmest thanks and appreciation to the many Gettysburg residents, whom I am unable to reach personally, for their courtesies while I was in Gettysburg for the funeral of my brother, Carleton Poole.

The consideration shown me, the many fine things I was told about my brother and the heartfelt sympathy expressed by so many was a source of considerable comfort to me. I am mindful of these things from the members of the Gettysburg Fire Company, the Exchange Club and the men and women whom Carleton worked with at The Times. These and other things helped greatly to ease the shock of Carleton's sudden passing for me. I will appreciate your publishing

JUMPING JACKRABBITS

OSMOND, Neb. (AP)—There are bound to be some claims soon that jackrabbits in these parts are the jumpingest anywhere.

Dale Powers, Osmond REA lineman, said a crew went out to trace down a short circuit that knocked out power to six farms, and found the source of the trouble

atop a 35 foot pole.

It was a full-grown jackrabbit whose body had shorted the wires.

WILL ADVERTISE

(Continued from Page 1)
changes that will have to be made
to tie together the two buildings
and said corridors will be repainted
to blend together the old and the
new.

To Link Up Next Summer
He said plans call for erection of
the new building during the coming
school year while the changes in the
old building and the connection
work will be done next summer in
order to avoid interference with
school operations.

Plans also call for an enlarged
parking and drive area to accom-
modate the buses. Sewer lines will
have to be re-located and new
water and gas lines will be placed.
The new auditorium will have a
concrete floor with painted con-
crete block sidewalls. An optional
bid will be asked for plastering the
auditorium walls. Auditorium
and classrooms in the new struc-
ture will have acoustical tile or
plaster ceilings. Asphalt tile will
be used on the corridors and class-
room floors.

Heat Control For Each Room
"The building will be as nearly
fireproof as a building can be,"
Mr. Gilder said. "It will be of
Indiana limestone and red brick
and will conform in general style
to the present structure. Doortrim
and doors will be of metal.

An oil burning heating plant will
be installed that will be converti-
ble to gas and each room will
have its own heat controls. William
Hood, heating engineer for Mr.
Hamme, described the new heat-
ing plant.

Bids are to be received on three
types of seats for the auditorium
with selection to be made after the
bids are opened.

Have Sale Okay
Mr. Gilder said that within the
last week, final approval has been
received on all phases of the plans
from various departments at Har-
risburg that have to pass on plans,
design and heating specifications.

The board on a roll call vote
that carried 27 to 2 accepted the
plans for the addition in their final
form and requested the authority
to advertise for bids to be opened
September 14.

One of the negative votes came
from Franklin Twp. and the other
from Highland Twp.

ORDER FURNACE

(Continued from Page 1)
use to which cafeteria funds can
be placed.

A question was raised about a
set of specification on cafeteria im-
provements secured a year ago. Out-
come of the discussion was a voice
vote confirming the July action of
the executive committee to procure
the new steam table.

The joint board then quickly
ratified July 13 action by which in-
dividual township boards were to
check their school bus signs needs
and report to the business manager.

In that connection Mr. Reinhart
read a letter from J. William Ken-
delhart Jr., superintendent of main-
tenance for the state Department
of Highways, informing the school
directors that bus stop signs will be
placed or re-located only once in a
school term. None will be placed or
moved, the letter said, after October
1. An immediate list of new sign
positions and changes was asked by
Mr. Kendelhart.

Reinhart asked the township
boards for the number of new signs
they will need and the requests
varied from none in Franklin Twp.
to 24 for Strasburg.

Elect Attendance Officer
Leo Riley was re-elected attend-
ance officer for the joint district
at his present salary of \$100 per
year.

The Stenger Music House of Han-
over was given the order for a new
auditorium at its low bid of \$348.

Audited school accounts and the
annual audited reports of the Ath-
letics, Cafeteria and Activities funds
were presented with the signatures
of the borough auditors and were
ordered filed without detailed read-
ing of the lengthy documents.

Cafeteria Report For Year
The audited cafeteria report
showed a total of \$19,192.23 collected
for lunches from pupils and teachers
last year. March receipts were high-
est at \$2,503 and September was
low at \$1,685. The federal aid school
lunch program brought the cafeteria
fund \$4,179. Expenditures included
\$5,399 for salaries, \$15,766 for pro-
visions and \$1,194 for maintenance.
The balance remaining from the
year's operation was \$1,011 with a
balance of \$3,860 in the checking ac-
count. That latter sum is to be used
for the new steam table.

The activities fund handled more
than \$29,000 from many school ac-
counts, the report showed.

A recommendation from the
Franklin Twp. board was adopted as
the board's position in the case of
a Franklin Twp. family with a child
about to enter Junior High School.
The Butler Twp. bus passes the
house but the youngster would have
to walk more than a half mile for
a Franklin bus. The child will be
allowed to go to Biglerville.

Gets Schools Ready
The board authorized a new wa-
ter line for Lincoln School when a
check of water pressure there
showed it was "almost nil." Cum-
berland Twp. was directed to have
grounds of its three rural schools
mowed and toilets cleaned in pre-
paration for the opening of school.
The Cumberland board also was
authorized to get a new stove for
Belmont School. Kindling wood
supplies also are to be provided
for the schools in that township.

Additional classroom lights will
be placed at Lincoln School in the
new subdivided auditorium follow-
ing board action Monday.

Director Jacob Appier of Gettys-
burg asked just before adjournment:
"What about the government
land?" and was told by Dr.
Wickerham that the school district
is awaiting action by the National
Park Service on the selection of ap-
praisers. Nothing needs to be done
by the school board now, he was
assured.

Treasurer's Report
Montly bills totaling \$2,351.62
were ordered paid on motion of
Ralph W. Guise, chairman of the
Finance committee.

Youth Is Crushed Under Big Mixer

HARRISBURG (AP)—Clarence Daub, 19, of Harrisburg, was crushed to death under a heavy concrete mixing truck while working on the Harrisburg-York expressway.

Dr. E. A. Haegele, Cumberland County coroner, said Daub was killed instantly yesterday when he apparently slipped in a concrete form and fell under the wheels of the truck which was backing up.

The accident occurred just outside New Cumberland, about three miles from Harrisburg.

"UNCLE LOUIE" BIG WINNER IN CANADIAN VOTE

By BEN BASSETT

TORONTO (AP)—Canadians still swear by Prime Minister Louis St. Laurent and will have none—or very little—of his detractors. They made that clear in the national elections with a big tide of votes rolling the Liberal party to an unprecedented fifth term.

The vote yesterday returned the Liberals to power with a House of Commons majority just short of the record margin they ran up in the landslide St. Laurent engineered in 1949.

There were 265 Commons seats at stake. The Liberals needed 133 to maintain a majority able to back a government. They won 171.

Kind Of Government It Wants

The Progressive Conservative (Tory) party won 50. The socialist CCF (Commonwealth Cooperative Federation) was in third place with 23 and the Social Crediters next with 15. The remaining 6 were scattered.

In 1949 the Liberals won 193 seats for the greatest majority in history. The Conservatives won 41, the CCF 13 and the Social Crediters 10.

St. Laurent hailed the result as showing Canada has the kind of government it wants. He called the returns "a heartening expression of confidence."

Sets Precedent

The 71-year-old "Uncle Louis" conducted his own kind of campaign. "I'm running on performance, not promises," he said.

That was good enough to make history again. Never before had a party won five consecutive times in Canadian elections.

The Liberals have been in power since 1935, first under W. L. Mackenzie King and since 1948 under St. Laurent. With the four to five years added by yesterday's election, they will run their tenure to 22 years.

All Reds Lost

The Conservatives now have failed to win a Canadian election since 1930. They tried yesterday under the same leader who lost in 1949—George Drew, former premier of Ontario. His hopes of being prime minister were as good as lost in mid-campaign. Some Conservative candidates, as if to pull away from Drew ties, never mentioned him in their speeches.

St. Laurent personally ran only in his own district of Quebec. He won a majority of more than 20,000, the biggest of any candidate. All his Cabinet ministers were re-elected, including Foreign Secretary Lester B. Pearson and Trade Minister Clarence D. Howe.

Drew likewise retained his own Commons seat, winning in his district.

The Communists supplied 100 of the 900 candidates running for the 265 seats.

Faces Ten Years For Killing Wife

ANNAPOLIS, Md. (AP)—Francis Shaulis Jr. faces a maximum 10-year sentence on the manslaughter verdict returned last night in the pistol killing of his wife and mother of his five sons.

An all-male jury took half an hour to agree on the manslaughter verdict for the 31-year-old Harndale carpenter after hearing more than nine hours of testimony in the case.

Shaulis' wife, Mary Anne, died in the early morning of June 12 in their yellow cottage from a bullet wound in her chest.

Shaulis gave himself up to police after a 40-hour manhunt. The former Army Ranger had driven through Pennsylvania, Ohio and

back to Maryland.

Judge Benjamin Michaelson has set Friday as the day he will hear a new defense motion, probably one for a new trial. If he rejects the plea, the sentence will be handed down at that time.

"Knots" as the term for the speed of a ship derives from the ancient method of measuring speed by counting the number of knots in a line pulled over the stern by a piece of wood thrown into the water.
